Students experience vibrant community through formal and informal educational and social experiences.

We welcome students of all learning needs as well as families of all configurations and backgrounds. We provide inclusive opportunities to participate in family education, Shabbatonim (overnight retreats during Shabbat), grade-level Shabbat experiences, volunteer opportunities, youth groups, and activities involving the larger Jewish community.

JEWISH IDENTITY

יהדות

Students discover a positive Jewish identity inspired by knowledge and community.

We provide an engaging environment to strengthen our students' Jewish identity as part of K'lal Yisrael (the Jewish people). Students celebrate milestones along their journey at Mount Zion including Consecration, Hebrew School Graduation, Bar/Bat Mitzvah, Confirmation, and Chai School Graduation.
