20-60 people

Melamed Board Room

The Melamed Board Room is our most formal meeting space. The large Boardroom table can seat up to 20 people. The second row of chairs brings the seating to 40, and additional folding chairs can be added to seat up to 60 people in this room. The rich paneled walls, paintings and comfortable chairs create an excellent setting perfect for more formal meetings, lectures or discussions. Food/snacks/beverages may be arranged right outside the Boardroom.
