Johnson Social Hall

Johnson Hall is our second largest space and is perfect for dinners for up to 120 people. The room can also be set-up for lectures, plays or more formal meetings. All audio visual equipment is easily accessible for this space. Round or rectangular 6' or 8' foot tables may be arranged to accommodate your meeting or event. This room may also be divided into two smaller spaces. There is a small kitchen located next to Johnson Social Hall, which is perfect for small meals, snacks and break food and beverage preparation. A beautiful hallway lined with stained glass windows leads into this space.
