JOHNSON HALL

Details

Johnson Hall is our second largest space and is perfect for dinners for up to 120 people. The room can also be setup for lectures, plays or more formal meetings. All audio visual equipment is easily accessible for this space.

Round or rectangular 6' or 8' tables may be arranged to accommodate your meeting or event. Johnson Hall may also be divided into two smaller spaces. There is a small kitchen attached to the space, which is available to use. A beautiful hallway lined with stained glass windows leads into this space.
